Introduction of Project Team

Summary of Project

www.tdsi.org

www.IndiaEU-ICTstandards.in

Project Team

- **Andreas Sommer** (Senior Technical Advisor, Team Leader)
- **Sachin Gaur** (Local Coordinator)
- **Denis Ward** (SDMX Expert)
- **Mansi Sharma** (Communication Specialist)

www.tsdsi.org

www.IndiaEU-ICTstandards.in

Project Summary

- **Project Title:** Support to the inception phase of the project *“India-EU co-operation on ICT-related standardisation, policy and legislation”*
- **Project Launch:** 6 April 2015
- **Project Period (Inception Phase):** until March 2016
- **Envisaged Implementation Phase:** 2016 - 2019

www.tsdsi.org

www.IndiaEU-ICTstandards.in

Project Summary

○ **Project Objectives**

- Identification of key stakeholders
- Identification of pilot initiative(s)
- Preparation of communication infrastructure and contact database
- Preparation for the follow-up implementation phase, in close cooperation with key stakeholders

www.tdsi.org

www.IndiaEU-ICTstandards.in

Project Summary

- **Project Areas** in ToR, identified by EU Delegation to India in close cooperation with Indian stakeholders (TSDSI and others) and validated by SESEI project, ETSI and Eurostat (for SDMX):
 - New Emerging ICT Technologies
 - Security
 - ICT for Smart Energy
 - Testing & Certification

 - Standards for Statistical Data and Metadata Exchange (SDMX)

www.tsdsi.org

www.IndiaEU-ICTstandards.in

Project Summary

- **Stakeholders** met: COAI, CSO (for SDMX), Digital Europe, DoT, SESEI / EBTC, TCoE, TSDSI

Message from DoT Additional Secretary, Mrs. Rita Teatota:

TSDSI is the responsible organization for telecom standards in India and you should invite all stakeholders through TSDSI

Project Summary

- **Topics** for pilot initiative(s) mentioned by stakeholders:

www.tdsi.org

www.IndiaEU-ICTstandards.in

Project Summary

- **New Emerging ICT Technologies**

5G (Cloud, Telecom Security, Big Data, Video Compression), M2M (eHealth (Cloud, Security), ITS (Cloud, Security), ...), NFV/SDN

- **Security**

Cyber, Telecom

- **ICT for Smart Energy**

Green ICT, Next Generation Battery *[research topic]*

- **Testing & Certification**

[None]
